| 25ID | 25th Infantry Division | |
| 28ID | 28th Infantry Division | |
| 2SCR | 2d Stryker Cavalry Regiment | |
| 4-6 ACS | 4-6 Air Cavalry Squadron | |
| 4ID | 4th Infantry Division | |
| A&VTR | Asset and Vulnerability Tracking Resource | |
| A/DACG | Arrival/Departure Airfield Control Group | |
| A2C2 | Army Airspace Command and Control | |
| A2C2S | Army Airborne Command and Control System | |
| AA | After Action; Anti-Aircraft; Available Airframes | |
| AACA | Army Airlift Clearance Authority | |
| AAD | Access Approval Document; Acquisition Activities Division; Acronym/Abbreviation Definition; Advanced Access and Disablement; Air Assault Division; Airborne Assault Division; Aircraft Armament Division; Area Air Defense; Army Air Defense; Army Automation Directorate | |
| AAE | Army Acquisition Executive | |
| AAL | Additional Authorizations List | |
| AAN | Army After Next | |
| AAO | Army Acquisition Objective | |
| AAR | Administrative Adjustment Report; After Action Review | |
| AARMS | Army Architecture Repository Management System | |
| AASLT | Air Assault | |
| AB | Area Based | |
| ABCA | American/British/Canadian Alliance | |
| ABCESS | Army Battle Command and Enablers System of Systems | |
| ABCS | Army Battle Command System | The ABCS consists of subsystems for the battlefield functional areas (BFAs), each of which supports and provides information to other systems, and provides situational awareness of the battlefield. |
| ABCT | Airborne Battalion Combat Team; Airborne Brigade Combat Team | |
| ABF | Asset Balance File | |
| ABN | Airborne | |
| ABT | Air Breathing Target | |
| AC | Active Component; Airfield Control; Aiming Circle; Airfield Control; Arms Control; Army Command | |
| ACADA | Automatic Chemical Agent Alarm | |
| ACAT | Acquisition Category | |
| ACC | Army Component Command | |
| ACCE | Army Command and Control Element | |
| ACE | Advanced Collaborative Environment, Analysis Control Element | |
| ACERT | Army Computer Emergency Response Team | |
| ACES | Automated Communications Engineering Software | |
| ACIP-LT | Army Casualty Information Processing System – Light | |
| ACMC | Assistant Commandant of the Marine Corps | |
| ACN | Airborne Communications Network | |
| ACO | Administrative Contracting Officer | |

| | | |
|---|---|---|
| ACP | Access Control Point; Air Campaign Plan; Airborne Command Post; Alternate Command Post; Ammunition Control Point; Area Command Post; Area Contingency Plans; Army Campaign Plan; Assault Command Post | |
| ACR | Armored Cavalry Regiment | |
| ACRBWG | Army Cost Review Board Working Group | |
| ACS | Aerial Common Sensor; Air Cavalry Squadron; Army Community Service | |
| ACSIM | Assistant Chief of Staff for Installation Management | |
| ACSIS | Army C4ISR and Simulations Initialization System | |
| ACT-E | Analysis and Control Team-Enhanced; Analysis Control Team – Enclave | |
| ACTD | Advanced Concept Technology Demonstration | |
| ACU | Active Component Unit(s) | |
| ACUS | Area Common User System | |
| ACWT | Average Customer Wait Time | |
| AD/ACG | Air Departure and Arrival Control Group | |
| AD | Active Directory; Air Defense; Air Drop; Area Defense; Armored Division | |
| ADA | Air Defense Artillery | |
| ADACC | Air Defense Airspace Coordination Cell | |
| ADAM Cell | Air Defense Airspace Management Cell | |
| ADAMS | Air Defense and Airspace Management  System | |
| ADC | Analyzed Data Communication; Assistant Division Commander | |
| ADCO | Assistant Division Commander for Operations | |
| ADCON | Administrative Control | |
| ADD | Assistant Deputy Director; Authorization Document Director, USAFMSA (MTOE) | |
| ADDS | Army Data Distribution System | |
| ADL | Army Digital Library | |
| ADLT | Administrative Logistics Delay Time | |
| ADM | Acquisition Decision Memorandum; Area Denial Munitions; Admiral | |
| ADMP | Army Digitization Master Plan | |
| ADNS | Automated Digital Network System | |
| ADRG | Arc Digitized Raster Graphics | |
| ADS | Active Duty Support; Advanced Data Systems; Advanced Display System; Aerial Delivery System; Air Defense Section; Air Defense Sector; Air Defense Suppression; Area Detection System; Artillery Delivered Sensor; Automated digital Switch; Automatic Data Selection; Automatic Defense System; Auxiliary Data System; Azimuth Determining System | |
| ADS-A | Automatic Dependent Surveillance-Addressed | |
| ADS-B | Automatic Dependent Surveillance- Broadcast | |
| ADSI | Air Defense Systems Integrator | |
| ADT | Active Denial Technology; Alaskan Daylight Time | |
| ADTS | Army Digital Training Strategy | |
| ADVON | Advanced Echelon | |
| AE | Application Enclave; Army Enterprise | |
| AEA | Army Enterprise Architecture | |
| AEADP | Army Enterprise Architecture Development Plan/Process | |
| AEC | Army Evaluation Center | |
| AEHF | Advanced Extremely High Frequency | |
| AEPS | Army Electronic Product Support | |
| AERC | Army Equipping and Re-utilization Conference | |
| AES | Advanced Encryption Standard | |
| AESF | Army Enterprise Single Forest | |

| | | |
|---|---|---|
| AETF | Army Evaluation Task Force | |
| AF | Air Force | |
| AFATDS | Advanced Field Artillery Tactical Data System | |
| AFFS-F | Army Field Feeding System-Future | |
| AFM | Army Flow Model | |
| AFP | Approved Funding Plan; Army Functional Proponent; Automatic Fill Program | |
| AFS | Automated Fire Support | |
| AFSB | Army Field Support Brigade | |
| AFSB-P/AFSB-PA | Army Field Support Brigade – Pacific | |
| AFSBn | Army Field Support Battalion | |
| AFSC | Advanced Food Sanitation Center; AMC Field Support Center, Army Field Support Command | |
| AFTT | Air Force Transition Team | |
| AGL | Above Ground Level | |
| AGM | Air-to-Ground Missile | |
| AH | Attack Helicopter | |
| AHA | Ammunition Holding Area | |
| AHS | Ammunition Handling System | |
| AI | Actionable Intelligence; Actions Item; Area of Interest; Army Installation; Artificial Intelligence; Automation Initiatives | |
| AIC | Activity Identification Code; Allowance Item Code; Army Intelligence Center; Army Interoperability Center; Assignment Instruction Code; Attack Information Center; Audio Intercommunications System; Automated Intelligence Correlation | |
| AIE | Army Enterprise Infostructure; Army Enterprise Infrastructure | |
| AIL | Allowable Input Link | |
| AIMD | Architecture and Integration Management Directorate (US Army TRADOC) | |
| AIO | Army Information Operations | |
| AIOC | Army Information Operations Capabilities | |
| AIOT | Army Information Operations Tasks | AIO Tasks are Information Engagement, Command and Control Warfare, Military Deception, Operations Security, and Information Protection. |
| AIS | ABCS Information Server; ABCS Information Services; Action Items Summary; Automated Information Systems | |
| AIT | Advanced Individual Training | |
| AiTR | Aided Target Recognition | |
| AITS | Advanced Information Technology Systems | |
| AJST | Army Joint Support Team | |
| AK | Alaska; Access Kit; Arctic Kit | |
| AKE | Army Knowledge Enterprise | |
| AKEA | Army Knowledge Enterprise Architecture | |
| AKM | Army Knowledge Management | |
| AKMS | Army Key Management System | |
| AKO | Army Knowledge Online | |
| AKO-S | Army Knowledge Online-SIPRNET | |
| AKX | Architecture Knowledge Exchange | |
| ALCOM | Alaska Command | |
| ALD | Authorized Load Date | |
| ALE | Auto Link Establishment | |
| ALO | Administrative and Logistics Operations; Air Liaison Officer; Airland Operations, Artillery Liaison Officer; Aviation Liaison Officer; Authorized Level of Organization | |
| ALOC | Administrative & Logistical Operations Center; | |

| | | |
|---|---|---|
| | Administrative and Logistics Operation Center; Air Lines of Communication | |
| ALSE | Aviation Life Support Equipment | |
| ALT | Acquisition, Logistics, and Technology | |
| AM | Amplitude Modulation, Assemblage Management | |
| AMB | Ambassador; Ambulance | |
| AMC | Advanced Marksmanship Course; Army-Marine Corps; Army Materiel Command, Air Mobility Command | |
| AMCB | Army-Marine Corps Board | |
| AMCOM | US Army Aviation and Missile Command | |
| AMCP | Army-Marine Corps Convergence Plan; Army Material Command Pamphlet | |
| AMCS | Army/Marine Corps SATCOM (Satellite Communications) | |
| AMCT | Army/Marine Corps Terrestrial | |
| AMD | Air and Missile Defense | |
| AMDCCS | Air and Missile Defense Command and Control System | |
| AMDF | Army Master Data File | |
| AMDPCS | Air and Missile Defense Planning and Control System | |
| AMDWS | Air and Missile Defense Workstation | Provides planning connectivity between all ADA command echelons. |
| AMEDD | Army Medical Department | |
| AMEDDPAS | Army Medical Department Property Accounting System | |
| AMEMBASSY | American Embassy | |
| AMMO | Ammunition | |
| AMFET | Army Modular Force Education Team | |
| AMOUT | Advanced Military Operations on Urban Terrain | |
| AMP | Acquisition Master Plan; Army Modernization Plan; Automated Message Processing; Aviation Modernization Plan | |
| AMPE | Automated Message Processing Exchange | |
| AMPS | Advanced Modular Power System; Aviation Mission Planning System; Automated Mission Planning System Software | Subsystem of ABCS used as mission planning/battle synchronization tool. |
| AMR | Antimateriel Rifles | |
| AMRAAM | Advanced Medium-Range Air-to-Air Missile | |
| AMRD | Army Modernization Information Memorandum | |
| AMSAA | Army Material Systems Analysis Activity | |
| AMSTE | Affordable Moving Surface Target Engagement | |
| AMS | Aircraft Maintenance Support; Army Modernization Schedule; Army Modernization Strategy | |
| AMSS | Army Materiel Status System; Army Modernization Support Structure | |
| AMT | Air Maneuver Transporter; Army Modernization Transition | |
| AMTAS | Army Modernization Training Automation System | |
| ANAD | Anniston Army Depot | |
| ANC | Army Naming Convention | |
| ANDVT | Advanced Narrowband Digital Voice Terminal | |
| ANR | ABCS Network Reach | |
| ANVIS | Aviators Night Vision Imaging System | |
| AO | Action Officer; Area of Operation | |
| AOA | Add on Armor | |
| AoA | Analysis of Alternatives | |
| AOC | Air Operations Center; Area of Concentration; Army Occupation Code | |
| AOE | Area of Eligibility; Area of Embarkation; Area of Excellence; Army of Excellence | |
| AOL | Action Officer Level | |
| AOM | After Operation Maintenance, Army Object Model | |
| AOP | Army Order of Precedence; Approved Operating Plan | |

| | | |
|---|---|---|
| AOR | Area of Responsibility | |
| AOT | Assignment Oriented training | |
| AOWG | Action Officer Working Group | |
| AP | Aerial Port; Anti-Personnel | |
| APB | Acquisition Program Baseline | |
| APC | Area Processing Center; Army Processing Center | |
| APD | Air Planning Document, Army Publishing Directorate | |
| APFSDS | Armor Piercing Fin Stabilized Discarding Sabot | |
| APLFO | Army Port Liaison Field Offices | |
| APM | Assistant Project Manager | |
| APO | Advanced Planning and Optimization; Army Procurement Objective | |
| APOBS | Anti-personnel Obstacle Breaching System | |
| APOD | Aerial Port of Debarkation | |
| APOE | Aerial Port of Embarkation | |
| App | Application | |
| APR | Acquisition Planning Records; Agency Procurement Request; Airman Performance Report (USAF); Ammunition Performance Report; Annual Performance Report; Annual Program Review; Annual Progress Report; April; Audiovisual Production Requirements | |
| APS | Army Prepositioned Stocks, Active Protection System | |
| APT | Active Protection Technology | |
| APU | Auxiliary Power Unit | |
| AQI | Al Qaeda in Iraq | |
| AR | Armor; Army; Army Regulation; Army Reserve; Army Root; As Required; Automated Reasoning; Automatic Rifle | |
| AR2B | Army Requirements and Resourcing Board | |
| ARA | Automated Reasoning Agents | |
| ARC | Accounting Requirements Code; Active Range Clearance; Activity Readiness Code; Airborne Radio Communication; American Red Cross | |
| ARC-187 | Radio Set AN/ARC-187 | |
| ARCIC | Army Capabilities Integration Center | |
| ARDP | ABCS Resourced Distribution Plan; Army Requirements Development Plan | |
| ARFOR | Army Force | |
| ARFORGEN | Army Force Generation | |
| ARI | Activity Routing Indicator; Army Research Institute; Automatic RESET Induction; Automatic Return Item | |
| ARIL | Automatic Return Item List | |
| ARL | US Army Research Laboratory, Airborne Reconnaissance Low | |
| ARMS | Army Readiness Management System | |
| ARMT | Armament; Army Reset Management Tool; Automated Reset Management Tool | |
| ARNG | Army National Guard | |
| AROC | Army Requirements Oversight Council | |
| ARPL | Authorized Replacement Parts List | |
| ARSOF | Army Special Operations Forces | |
| ARSST | Army Space Support Team | |
| ARSTAF | Army Staff (Pentagon) | |
| ARSTRAT | Army Forces Strategic Command; Army Strategic Command (US Army Space and Missile Defense Command) | |
| ARSTRUC | Army Structure | |
| ARV | Armed Robotic Vehicle | |
| ARV-A | ARV-Assault | |
| AS | Administrative Support, Army Secretariat; Australia | |

| | | |
|---|---|---|
| ASA | Assistant Secretary of The Army | |
| ASA(ALT); ASAALT | Assistant Secretary of the Army (Acquisition, Logistics, and Technology) | |
| ASAPS | Advanced SINCGARS Alternative Power Supply | |
| ASARC | Army Systems Acquisition Review Council | |
| ASAS | All Source Analysis System | |
| ASAS-L | All Source Analysis System-Light | |
| ASAS RWS | All Source Analysis System (ASAS) Remote Work Station (RWS) | |
| ASAT | Army Systems Approach to Training | |
| ASC | ABCS Support Cell; ABCS Support Costs; Army Sustainment Command | |
| ASCC | Army Service Component Command (er); Army Standardization Coordinating Committee | |
| ASD | Assistant Secretary of Defense | |
| ASE | Aircraft Survivability Equipment | |
| ASEWG | Architecture Systems Engineering Working Group | |
| ASG | Area Support Group | |
| ASI | Additional Skill Identifier | |
| ASIMS | Army Standard Information Management System | |
| ASIOE | Additional Support Item of Equipment; Associated Support Item of Equipment | |
| ASIP | Advanced SINCGARS Improvement Program | |
| ASL | Authorized Stockage List | |
| ASLC | Army Strategic Leaders Course | |
| ASLMS | Authorized Stockage List Mobility System | |
| ASM | Air-to-Surface Missile; Airspace Management; Army Security Monitor; Automated System Management; Airfield Survivability Measures | |
| ASMB | Area Support Medical Battalion | |
| ASMC | Area Support Medical Company | |
| ASMP | Army Strategic Mobility Program | |
| ASN | Assistant Secretary Navy; Autonomous System Number | |
| ASOC | Air Support Operations Center | |
| ASOS | Army Support to Other Services | |
| ASPB | Army Strategic Planning Board | |
| ASPO | Army Space Program Office | |
| ASPT | Alternative Site Processing Team; Artillery Skills Proficiency Test | |
| ASR | Acquisition Strategy Report; Acquisition System Review; Alternate Supply Route; Ammunition Supply Rate; Army Status Report | |
| ASS | Area Support Squad | |
| ASSC | Army Shipper Service Control | |
| ASSDS | Army Standard Supply and Distribution System | |
| Asst | Assistant | |
| AST | Acquisition Support Team; Advanced Skills Training; Advanced Surveillance Testbed; Alaskan Standard Time; Army Staff Target; Atlantic Standard Time | |
| ASTAMIDS | Airborne Standoff Minefield Detection System | |
| ASTMP | Army Science and Technology Master Plan | |
| ASVAB | Armed Services Vocational Aptitude Battery | |
| AT | Advance Team; Agile Training; Air Transportable; Anti-Tank; Army Terrestrial; Army Theater; Army | |

| | Transformation | |
|---|---|---|
| AT3 | Advanced Tactical Targeting Technology | |
| ATACMS | Army Tactical Missile System | |
| ATC | Air Traffic Control; Army Test Center; Asset Tracking Capabilities,  Automatic Target Cueing | |
| ATCCS | Army Tactical Command & Control System | |
| ATCP | Army Transformation Campaign Plan | |
| ATCTS | Army Training and Certification Tracking System | |
| ATD | Actual Time of Departure; Advanced Technology Demonstration/Development; Aided Target Detection | |
| ATDL-1 | Army Tactical Data Link 1 | |
| ATE | Automated Test Equipment; Aviation Tactical Exercise | |
| ATEC | Army Test and Evaluation Command | |
| ATEX | Army Transformation Experiment | |
| ATFLIR | Advanced Targeting Forward-Looking Infrared Receiver | |
| ATGM | Anti-Tank Guided Missile | |
| ATGMV | Anti-Tank Guided Missile Vehicle | |
| ATIA | Army Training Information Architecture | |
| ATIRCM | Advanced Threat Infrared Counter Measures | |
| ATL | Advanced Tactical Laser; Assistant Team Leader | |
| ATLAS | All-Terrain Lifter Army System (ATLAS) | Provides lifting capability in all terrain. |
| ATLDP | Army Training and Leadership Development Panel | |
| ATM | Advanced Trauma Management; Agile Training Mindset; Asynchronous Transfer Mode | |
| ATM-SEN | Asynchronous Transfer Mode Small Extension Node | |
| ATO | Air Tasking Order; Authority to Operate | |
| ATP | Ammunition Transfer Point | |
| ATR | Action Tracker Review; Army Transformation Roadmap, Automatic Target Recognition | |
| ATRRS | Army Training Requirements and Resources System; Army Training Requirements Reporting System | |
| ATSC | Army Training Support Center | |
| ATST | Area TMDE Support Team | |
| ATT | Advanced Theater Transport; Army Tactical Tasks; Army Transformation Team; Army Transformation Timelines | |
| ATT-HI | Army Transformation Team – Hawaii | |
| ATT-WA | Army Transformation Team – Washington | |
| ATTLA | Air Transportability Test Loading Agency | |
| ATTN | Attention | |
| ATWG | Army Transformation War Game | |
| AU | Agency Update; Attached Units | |
| AUEL | Automated Unit Equipment List | |
| AUG | Augmentation; August | |
| AUTL | Army Universal Task List | |
| AV | Army Vision, Air vehicle | |
| AVIM | Aviation Intermediate Maintenance | |
| AVN | Aviation | |
| AVTOC | Aviation Tactical Operations Center | |
| AVTR | Asset and Vulnerability Tracking Resource | |
| AVUM | Aviation Unit Maintenance | |
| AW | Air Warrior; Army Watercraft | |
| AWACS | Airborne Warning and Control System | |

| | | |
|---|---|---|
| AWE | Advanced Warfighter Experiment; Advanced Warfighting Experiment; Army Warfighter Experiment; Army Warfighting Experiment | |
| AWN | Automate Weather Network | |
| AWO | Ambiguous Warning Order | |
| AWS | Army Watercraft Systems | |
| B | Billion | |
| B2 | Battalion and Below | |
| B2C | Battalion and Below Command | |
| B2CS | Battalion and Below Command Shelter | |
| BaA; BAA | Battalion and Above; Brigade and Above | |
| BaB; BAB | Battalion and Below; Brigade and Below | |
| BAIS | Battlefield Airborne Instrumentation System; Battlefield Anti-Intrusion System; Battlefield Automation Interoperability System | |
| BANDIT | Broadband Antenna Noise Desensitivity Investigative Tool | |
| BAO | Brigade Ammunition Officer | |
| BART | Brigade Access Remote Terminal | |
| BAS | Baseline Assessment Strategy; Basic; Basic Airspeed; Basic Allowance for Subsistence; Basic Accounting System; Battalion Aid Station; Battle Automation System; Battlefield Air Support; Battlefield Area Support; Battlefield Automated System; Battlefield Automation System; Biological Agent Simulate; Biological Agent Stimulant; Broad Area Search; Budget Allocation Summary; By All Systems | |
| BASOPS | Base Operations | |
| BATS | Biometric Automated Tool Set; Biometric Automated Tool System | |
| BAU | By All Units | |
| BAV | Body Armor Vest | |
| BAWS | Biological Agent Warning System | |
| BC | Battle Command | |
| BC&NSD | Battle Command and Network Support Directorate | |
| BCAWS | Battle Command as a Weapon System | |
| BCBL(G) | Battle Command Battle Lab (Fort Gordon) | |
| BCC | Battalion Commander's Conference; Battle Command Capability; Brigade Coordination Cell | |
| BCCS | Battle Command and Control System; Battle Command Common Services | |
| BCD | Battlefield Coordination Detachment; Brigade, Corps, Division | |
| BCID | Battle Command Integration Directorate | |
| BCIS | Battlefield Combat Identification System | |
| BCKS | Battle Command Knowledge System | |
| BCNST | Battle Command Network Support Team | |
| BCO | Battle Command Operations | |
| BCOU | Battle Command Operations Update | |
| BCOTM | Battle Command On-the-Move | |
| BCPL | Battle Command Product Line | |
| BCR | Battle Command Reengineering; Battlefield Communications Review | |
| BCS | Battery Computer System; Battle Command System | |
| BCS3 | Battle Command Sustainment and Support System | |

| | | |
|---|---|---|
| BCST | Battle Command Support Team; Battle Command and Staff Training; Broadcast | |
| BCST-P | Battle Command Support Team-Pacific | |
| BCT | Brigade Combat Team | |
| BCTB | Bagdad Country Team Briefing | |
| BCTC | Battle Command Training Center | |
| BCTP | Battle Command Training Program | |
| BCWG | Battle Command Working Group | |
| BD | Baseline Description; Battlefield Digitization; Battlefield Distribution; Baud; Beginning Descent; Block Diagram; Biological Defense; Bomb Disposal; By Date; By Direction; | |
| BDA | Battle Damage Assessment | |
| BDAR | Battle Damage Assessment & Repair | |
| BDE/Bde | Brigade | |
| BDO | Battle Dress Overgarment | |
| BDU | Battle Dress Uniform | |
| BE | Broadband Encryption | |
| BEOD | Body Explosive Ordinance Disposal | |
| BES | Budget Estimate Submission | |
| BEWSS | Battlefield Environmental Weapons Systems Simulation | |
| BF | Battle Fatigue; Blue Force | |
| BFA | Battlefield Functional Area; Blank Firing Adapter | |
| BFACS | Battlefield Functional Area Control System | |
| BFCS | Ballistic Fire Control System | |
| BFMTR | Blue Force Message Translator | |
| BFP | Battalion Fielding Package; Big FTEWA (Force Threat Evaluation and Weapon Assignment) Picture; Blue Force Picture; By Fielding Phase | |
| BFSB; BfSB | Battlefield Surveillance Brigade(s) | |
| BFT | Battalion Field Training; Blue Force Tracker; Blue force Tracker; Blue Force Tracking; Brigade Field Training | |
| BFTE | Battalion Field Training Exercise; Brigade Field Training Exercise | |
| BFV | Bradley Fighting Vehicle | |
| BGP | Border Gateway Protocol | |
| Big Eight | Stryker IBCT C4ISR Installation Test of FBCB2, EPLRS, PLGR (GPS), SINCGARS ASIP, INC, ACADA, Radiac, and VDT. | |
| Big Five | Non Stryker IBCT C4ISR Installation Test of FBCB2, EPLRS, PLGR (GPS), SINCGARS ASIP, and INC. | |
| BH | Battle Handoff | |
| BIA | Broad Industry Announcement | |
| BIC | Brigade Intelligence and Communications | |

| CADD | Combined Arms Doctrine Directorate | |
| CADRG | Compressed Arc Digitized Raster Graphics | |
| CADS | Containerized Ammunition Distribution System | |
| CAFADS | Combined Arms for Air Defense System | |
| CAIG | Cost Analysis Improvement Group | |
| CAISI | Combat Service Support (CSS) Automated Information | |

| | System Interface | |
|---|---|---|
| CAIV | Cost As and Independent Variable | |
| CALFEX | Combined Arms Live Fire Exercise | |
| CALL | Center for Army Lessons Learned | |
| CAM | Chemical Agent Monitor | |
| CAMEX | Computer Assisted Map Exercise | |
| CANE | Chemical and Nuclear Environment, Combined Arms in a Nuclear Environment | |
| CAPR | Capability Request; Capability Requirement; Cost Accounting and Production Report | |
| CARD | Cost Analysis Requirements Document | |
| CARS | Contingency Airborne Reconnaissance System | |
| CAS | Close Air Support | |
| CASCOM | Combined Arms Support Command | |
| CASEVAC | Casualty Evacuation | |
| CAT | Category | |
| CATC | CECOM Army Transformation Cell | |
| CATK | Counter Attack | |
| CATS | Combined Arms Training Strategy | |
| CATT | Combined Arms Tactical Trainer | |
| CAV | Cavalry | |
| CB | Campaign Briefing; Chemical/ Biological | |
| CBA | Capabilities Based Assessment | |
| CBD | Chemical and Biological Defense | |
| CBERT | Chemical Biological Equipment Repair Team | |
| CBG | Carrier Battle Group | |
| CBHCO | Community Based Health Care Organization | |
| CBI | Computer-based Instruction | |
| CBM | CAISI Bridge Module | |
| CBO | Critical Bases of Operation | |
| CBPM | Cost by Program Manager | |
| CBPS | Chemical-Biological Protection Shelter | |
| CBPSS | Chemical-Biological Protection Shelter System | |
| CBRN | Chemical, Biological, Radiological, and Nuclear Environment | |
| CBRNE | Chemical, Biological, Radiological, Nuclear, and Enhanced High-explosive | |
| CBRNRS | CBRN Reconnaissance System | |
| CBS | Corps Battle Simulator | |
| CSB-X | Continuing Balance System-Expanded | |
| CBS | Central Budgeting System; Chemical/Biological Sampling; Close Boundary Sentry; Common Ballistic Shield; Common Boresight System; Corps Battle Simulation; Corps Battle Simulation System; Corps Battlefield Simulator; Cost Breakdown Structure; Cost by System; COTS-Based System | |
| CBST | Cost by System Type | |
| CBT | Combat; Combat Bridge Transporter; Computer-based Training | |
| CBTDEV | Combat Developer | |
| CBU | Consistent Battlespace Understanding; Cost/Budget Updates | |
| CBTM | Cost by Type of Money | |
| CBUR | Cost by Unit Report | |
| CC | Civil Considerations; Civil Control; Close Combat; Combat Camera; Combatant Command; Combatant Commander; Command Center; Commercial Carrier; Communications and Computers | Close Combat refers to the direct finer finght executed primarily by combined arms maneuver units. |
| CCAWS | Close Combat Anti-Armor Weapon System | |
| CCC | Command & Communication Center; Component Commanders Conference; Corrosion Control Center | |

| | | |
|---|---|---|
| CCDR | Combatant Commander | |
| CCE | Combined Collaborative Environment | |
| CCF | Critical Command Functions, Commercial, Civil and Foreign | |
| CCI | Commanders Critical Information, Controlled Cryptographic items | |
| CCIR | Commander's Critical Information Requirements | |
| CCL | Common Access Card (CAC) Cryptographic Logon | |
| CCO | Close Combat Optics | |
